ABOUT ME

Computer Science graduate passionate about Data Science and Web Development. Highly-capable leader, having led multiple projects to completion. Proficient in a range of modern technologies including Python, ReactJS and C++.

SKILLS

REACT JS
DJANGO
NATURAL LANGUAGE PROCESSING
MACHINE LEARNING
PYTHON

LANGUAGES

English
Tamil
Telugu
German

EDUCATION

VELAMMAL ENGINEERING COLLEGE

2021 - Present
- B.E. Computer Science Engineering with Data Science Honors
- CGPA: 9.56

VIKAS VIDYALAYA

2018- 2020
- HSE TN Board
- Percentage: 91%

WORK EXPERIENCE

Intern

Heptre Techworks   Nov 2023 -Dec 2023
- Completed internship in Web Development

OneHost Private Ltd   June 2023- July 2023
- Completed internship in Django and Web Development

PROJECTS

Health Management System using ML
- A website where you can predict Heart, Kidney and Lung prediction using Machine Learning algorithms
